Re: The Ontario Aggregate Resources Corporation – 2016 Annual Report

On behalf of the Board of Directors, I enclose for your information, the 2016 Annual Report of The Ontario Aggregate Resources Corporation (TOARC). TOARC was created in 1997 to act as Trustee for the Aggregate Resources Trust which carries out many functions formerly undertaken by the Ministry of Natural Resources.

The enclosed report includes a detailed account of the Trust's financial affairs for 2016. I would like to draw you attention to a selection of MAAP projects in this Annual Report that highlight some of the great work being conducted to eliminate legacy pits and quarries across the Province. Also enclosed is information on research and education initiatives undertaken through TOARC as part of the Trust purposes.

I hope you enjoy the 2016 Annual Report, and I would be pleased to receive your comments.

Yours truly,

Bruce Semkowski
President
